

Debian Pure Blends – completely free

DO IT YOURSELF / TIP

Debian Pure Blends cover the interests of different groups of people to simplify the installation and administration of computers: influencers, lawyers, medical staff, scientists, etc.

* <https://www.debian.org/blends/>

gRaN-Ma includes the following Debian's metapackages:

- debian-games-all
- debian-med-all
- debian-multimedia-all
- debian-science-all

* <https://github.com/FUIT1985/gRaN-Ma>

In this folder/repository you can find a PDF presentation of gRaN-Ma project in different languages:

- English (source's translation);
- Italian (SOURCE).

Antonio Bonaccorso
